New ALS and Title III Directors Training 2019 Als

PURPOSE:

- To assist new directors to interpret and to proceed appropriately in response to federal Title III requirements
- 2. To clarify activities that support the interpretation and implementation of Title
- 3. To present general principles of appropriate uses of funds (Supplement versus Supplant)
- 4. To learn English Language Learner (ELL) Identification, Placement and Assessment procedures, and basic Title III requirements.

*You will also learn about consortiums and LEA's requirements and responsibilities.
